

Share your progress and manage your symptoms

Your feedback is valuable. The more detailed that feedback is, the more it can help your healthcare provider see whether your current treatment is right for you.

Please fill out this form and share it with your healthcare provider at your next appointment.

Tip: If you have before- and after-treatment pictures, be sure to share them with your healthcare provider, as the pictures can help track your progress.

Your diagnosis: _____

Today's date: ____/____/____

Current treatment(s): _____

Date(s) treatment(s) began: ____/____/____

Please fill in your responses with as much detail as possible to help your healthcare provider understand your treatment experience.

- Before starting treatment, the areas and/or symptoms that I was most looking for help with were:
