OTEZLA PATIENT ROADMAP

Just prescribed Otezla? Here's what's next:

1

Your doctor will send your prescription to a specialty pharmacy.

- Ask for your specialty pharmacy's information
- Write down the name and number, so when they call, you'll know it's them
- Take note that the call may show up as
 "Unknown Caller"

2

The specialty pharmacy will call you to set up delivery.

If you don't hear from your specialty pharmacy within a week after being prescribed Otezla:

- Talk to your doctor or call Otezla SupportPlus™ at 1-844-40TEZLA (1-844-468-3952)
- Have your Otezla \$0 Co-Pay Card* handy and be ready to provide the number on the card to the pharmacist

3

Your Otezla prescription will be delivered to your address.

While the specialty pharmacy works with your insurance company to have your prescription approved, they will also fill the prescription and send your Otezla directly to you.

If you have an Otezla \$0 Co-Pay Card*, your benefit is applied (automatically) each month. If you recently enrolled, allow 3-4 days for your card to arrive.
